Mitchell Technical Institute

Centrally located, Mitchell Technical Institute combines a small-town setting with some of the most sophisticated learning experiences found anywhere. Our newly expanded campus houses South Dakota's only Wind Turbine Technology and Power Line Construction and Maintenance programs, along with high-tech, high demand programs like our nationally unique Satellite Communications. Try out our technology in Automation Controls/SCADA, Computer Systems, Office Technology, Telecommunications, construction, health, ag, power sports, culinary and more! Our high placement rate after graduation allows you to get to work in two years or less.
