Western Dakota Technical Institute

Western Dakota Technical Institute is one of four state-supported postsecondary technical institutes in South Dakota, and the only one in western South Dakota. WDT offers over 25 challenging career programs, granting certificates, diplomas and Associate of Applied Science (AAS) degrees. Programs range in length from nine to eighteen months. Unlimited recreational opportunities abound in the Black Hills area. Student government and program-related clubs provide extracurricular activities for students.

Accreditation

The Higher Learning Commission, a commission of North Central Association of Colleges and Schools, 30 North LaSalle St., Suite 2400, Chicago, IL 60602-2504; 1-800-621-7440 and various program accreditations.

Admission Policy

Any person 16 years of age or older with a high school diploma or General Education Development (GED) Diploma is required for most programs.

All applicants must provide the admissions office with:

- 1 A completed application and \$20 fee.
2 A copy of a high school transcript or GED scores.
3 A copy of transcripts from other postsecondary schools attended, if any.
4 A copy of immunization records, verifying two doses of immunization against MMR
5 All applicants must also schedule to take the COMPASS test, to determine placement within a program. There is a \$15 testing fee. Testing may be waived if applicant has a composite score of 18 or higher on the ACT or an SAT total score of 860 or higher current within the last five years.
