

Mitchell Technical Institute

Mitchell Technical Institute is one of four technical institutes in South Dakota. Located in the heart of the James River Valley, Mitchell Tech serves the needs of approximately 900 full-time and 1,500 part-time training clients each year. Mitchell Tech is home to several programs unique to South Dakota, and, in some cases, unique in the United States. With a training-related placement rate of 90%, Mitchell Tech works to fulfill its mission: *to provide skills for success in technical careers.*

Accreditations

North Central Association of Colleges and Schools. SD Board of Education. National Accrediting Agency for Clinical Laboratory Sciences. National Restaurant Association. American Association of Medical Assistants. Joint Review Committee on Education in Radiologic Technology.

Admission Policy

Any person 16 years of age or older who is able to benefit from instruction is eligible to enroll, regardless of previous education. Applicants will be accepted into programs in which they demonstrate a reasonable prospect of success. MTI reserves the right to guide the registration of applicants based upon ability to benefit, previous academic achievement, and life experiences.

In order to be considered for admission, an applicant must complete the following process:

- 1 Submit an Application for Admission, including a non-refundable \$35 application fee.
- 2 Send an official copy of education and financial transcripts.
- 3 Complete the appropriate entrance test.
- 4 Have a high school diploma or GED certificate.
- 5 Provide documentation for proof of birthdate (ie, driver's license, birth certificate)

Program enrollments are limited so it is best to apply early. Some programs fill early and use a waiting list/deposit system. Early enrollment may help you secure a position in the program of your choice.

Programs Offered

Agriculture

Agricultural Technology*
Ag Chemical Technology

Business

Accounting/Computers* (AAS only)
