North Central Association of Colleges and Schools.

Admission Policy

Southeast Technical Institute admits students on the basis of an individual's interest, aptitude, previous experience and career objective. Southeast is open to those individuals, 16 years old or older, who meet the above requirements and can profit from the education.

Southeast Technical Institute reserves the right to guide educational selection to students on the basis of counseling, pre-tests, pre-enrollment interviews and past academic achievement.

Admission Procedure

Southeast requires all prospective students to:

- Submit a completed application form (available online).
- Submit a high school transcript, equivalency certificate and transcript from each post secondary institution attended.
- Submit aptitude and/or achievement test results where required.
